- 1402.2 Such burial shall take place in such plot as the sexton shall determine, and no fence or headstone shall be erected thereon unless the exclusive right of burial therein shall have been purchased as provided in the next succeeding subclause.
- 1402.3 Any friend or relative of a person so buried may, at any time within 2 years from the date of such burial or such extended time as the Council sees fit, purchase the exclusive right of burial for such limited period as the District Council by resolution decides in such plot in the manner provided in this Part of this bylaw for the purchase of such rights.

1403 Provisions for all Interments

- 1403.1 No burial whatsoever shall be made in any cemetery without a burial warrant for that purpose obtained from the chief Executive.
- 1403.2 "Out of district fees" shall be payable in the case of the burial of a deceased person not residing in the district for at least 3 months immediately prior to date of death, and in the case of a stillborn child unless one of whose parents was a resident or a ratepayer of the district for 3 years prior to the birth of such child. Residence by a person in a hospital or institution in the district shall not be deemed resident in the district and the Chief Executive shall

decided in each case whether an "out of district fee" is payable in respect of such a person.

1403.3 In all cases of intended burials, the funeral director or person having the management or control of the same shall make application in the form of the First Schedule to this Part of this bylaw to the Chief Executive for a warrant for such burial, and shall produce to the Chief Executive such evidence of death as may be required; the Chief Executive for or on behalf of the Council is hereby authorised to grant such warrant in the form of the Second Schedule to this Part of this bylaw.

1403.4 No such warrant shall be issued until the fee for interment, as by resolution decided by the Council, shall have been paid.

Provided, however, that in the case of an interment under the management or control of a funeral director, the Chief Executive may, at his discretion, waive the foregoing requirement as to prior payment and charge the cost of the same against the funeral director concerned on the basis of a monthly account, or such period as the Chief Executive decides.

1403.5 Notification of the intended burial shall be given to the sexton at least 8 working hours prior to the time fixed for the funeral, and no such burial shall take place until the delivery to the sexton of the said warrant has been made.

1404 Warrant to be Authority to Sexton

1404.1 The burial warrant, when received by the sexton, shall be sufficient authority to him for such burial, and after such burial he shall sign the certificate at the foot of such warrant.

1405 Hours for Funerals

Should the original subsequently be found, any person holding such duplicate shall return the same immediately to the Chief Executive for cancelling.
