Re: Recommendation on Notice of Requirement in the Far North Proposed District Plan – Far North Holdings Ltd

Further to the letter and schedule provided by email, I am writing to confirm pursuant to Clause 13 of the First Schedule of the RMA, that Far North Holdings accepts the Hearing Panel's recommendation in respect of Far North Holdings Limited designation FH201, located at Wiroa Road, Kerikeri as recorded in the Proposed Far North District Plan – Decisions Version.

Far North Holdings Limited understands the recommendation is to roll over FH 201 with a minor change as noted within the schedule.

Far North Holdings Limited's acceptance is limited to that recommendation and is without prejudice to Far North Holdings' ability to seek any future alteration to the designation, or any new designation or other planning protection, required to protect and operate the airport and airport related activities and requirements.

Please contact me if you require anything further.

Yours faithfully,
Far North Holdings Limited

Robert Binney
Chief Operating Officer
