R21/04 - Community, Sports and Not-for-profit Organisations

Background

Community and voluntary groups provide facilities to enhance and contribute to the wellbeing of the residents of the Far North. This policy provides rating relief for those organisations that operate for the benefit of the community.

It is of note that the Local Government (Rating) Act 2002 provides for a 100% non-rateability of land owned or used by certain categories of charitable and community organisations. In addition, a 50% non-rateability is provided in respect of land owned or used by organisations for sports or any branch of the arts, except where these organisations operate a club licence under the Sale of Liquor Act. For more details on the rateability of this type of land refer to the Local Government (Rating) Act 2002, 1st schedule, Parts 1 and 2.

Policy Objectives

1. To assist in the ongoing provision of community services and recreational opportunities that benefit Far North residents.
2. To recognise that there is a community benefit in providing assistance through rating relief to certain charitable and community organisations.

Scope

This policy applies to both General Title and Māori Freehold Land.

Policy Statements

1. Council may remit up to 100% of the rates, providing the entity does not qualify for other financial support, payable on land owned or used by any entity which has, as its principal purpose and function, the provision of social housing, free access to family counselling, or, assessment, counselling and in-patient treatment for people with alcohol, drug and mental health related problems and that is a Registered Charitable Organisations or IRD approved donee organisation. Council may remit 50% of the rates payable on land owned or used by an entity, (society or association or persons, whether incorporated or not) for the purpose of providing benefit to Far North residents through:
 - a. the promotion of recreation, health, education, or instruction for the benefit of residents or any group of residents of the district; or
 - b. Land that is owned or used by, or in trust of any society or association or persons, to run a camping ground for the purpose of recreation, health, education or instruction, for the benefit of residents of the district.
2. This policy will apply for a period of three years unless the applicant's circumstances change. At the end of the three-year period, a new application will be required.

Conditions and Criteria

1. Relevant financial information must accompany all applications. This includes:
 - a. statement of organisation objectives
 - b. full financial accounts
 - c. information on activities and programmes
 - d. details of membership or clients.
2. No remission will be given on land on which a licence under the Sale of Liquor Act is held.
3. No remission will be given on land where any person or entity receives private financial profit from the activities carried out on the land. All income earned by ratepayers and entities receiving a remission under this policy must be spent on reasonable salaries, wages and other costs reasonably related to its community, sports, or not-for-profit purposes.
4. Land used for an activity which is commercial in nature does not qualify for rates remission. For example an "op-shop" does not qualify for rating relief under this policy.
