

Far North District Council
Te Hiku General Ward
Electing 2 Councillors

Darren Carl AXE

Independent

My principal place of residence is in the Te Hiku General Ward area. I am also standing for Te Hiku Community Board (North Cape Subdivision).

My name is Darren Axe. I have lived in Houhora since 1994, I've always worked with the community. I'm prepared to serve as either a councillor or Te Hiku Community Board member again. I'm involved in the maintenance of wharf structures for Far North Holdings. I sit on two Drainage Committees and the DAG Committee. My achievements for this term were assisting for funding with the Houhora Commercial Wharf and the Houhora Big Game Sports Fishing Wharf. I supported the development of the sports facilities in Houhora at Northwood Park. My aims for the next term would be to get speed limits reduced to 60kms going past schools, marae and urupā on SHW1 in the Far North. I intend to assist the Houhora Golf Club's plan to become an Evacuation Centre for fire, floods, earthquakes and tsunamis. I would also like to support the Golf Club with youth initiatives.
