My submission is:

(Include details and reasons for your position)

The proposal is far too prohibitive on persons who own land that falls within this chosen designation and applied overlays. It should be a person's right to build a residential dwelling along with any required ancillary structure on land to which they have guaranteed title to and that the Local Authority (FNDC) sees fit to levy payable rates on that land. Any required earthworks to achieve that activity should also be included as being permitted.

I seek the following decision from the Council:

(Give precise details. If seeking amendments, how would you like to see the provision amended?)

The above described activities should be **permitted** within the overlays, CE, ONL & ONF or at least a controlled activity, to enable owners to enjoy the property rights of the land they own, and pay rates on.
