Electing 3 Members

Shaun REILLY

My principal place of residence is in the Kaikohe-Hokianga Community Board (Kaikohe Subdivision) area.

As a resident of Kaikohe for over 40 years, I believe I have acquired a good & sound appreciation of the current and future needs of the town. A lifetime of farming & constructing has endowed me with an ability to analyse problems and to work out appropriate solutions, even to when needed, to 'looking outside the square'. The demands generated by fast developing Innovation & Enterprise Park will reaffirm the traditional recognition of Kaikohe as the foremost urban centre in the Middle North, justifying its initial establishment as the Administrative Centre of the Far North District in 1989.

Water is, & will remain for the foreseeable future, the most crucial item in the ongoing expansion of the town. Fortunately, the town is blessed with plentiful water resources, but it is vital that these be managed with proper diligence, and the present and future generational needs be properly catered for.
