Moko TEPANIA

My principal place of residence is in the Far North District Council area. I am also standing for Ngā Tai o Tokerau Māori Ward.

Kia ora, I'm Moko and I am the energetic, dependable, and motivated leader the Far North needs! With your Number 1 vote for Mayor I will ensure genuine transparency and community engagement, working together to enact positive changes so we can thrive. My knowledge and navigation of local government has been extended across the multiple local and national roles that I've held representing the Far North. I have also been fortunate to work with mayors across our country to broaden my experience and connections. My work in senior management positions and as an educator has also strengthened my knowledge base to be the new mayor the Far North needs. As an effective communicator, I will unite both our council and district. Visit www.votemoko.com for more information about my commitment to the Far North. I will continue to listen, engage and take action. Thank you for your support!
