**Kelly STRATFORD**

Independent

My principal place of residence is in the Bay of Islands-Whangaroa General Ward area. I am also standing for Mayor.

Tena koutou.

I am from Kawakawa. As councillor I have served as your chair of Regulatory & Compliance & most recently the District Licensing Committee. I have held one of the most challenging portfolios - 3 Waters. Which has given me even greater insight into the challenges we face as a district. You may have also seen me in my role as appointee to the Disability Action Group, Sport Northland and flood committees in Kaeo & the Taumarere catchment. Your livelihood and the future of our children are all affected by the decisions we make at Council. Whether it be delays in processing of consents, wastewater treatment plant upgrades, adequate supply of drinking water. All of these have an impact on your wellbeing now, and for the future of people and the environment. I need you to choose me as your number 1, to continue the work for you.
