I stand for Whatuwhiwhi because I believe we live in a place of beauty, of rich history and culture, with a diverse population.

I intend if elected to ensure our community has a voice in the halls of bureaucracy.

That what matters to us are considered in the decisions that are made, and will enhance what we have. I will support a thriving community living in harmony with the biodiversity that is all surrounds. My children live here, my mokopuna live here and it is for them that I put my hand up to represent us all. Ngā mihi.
