S503.011	Waitangi Limited	General / Plan Content / Miscellaneous	Not Stated	<p>Given the high historical importance of Waitangi Estate is it has a number of overlays which apply to the site. If left with the underlying zone and general overlays, the rules assessment would be difficult to undertake as each overlay stipulates that the more restrictive rule is applicable. This would result in very minor activities which are generally enabled being captured and requiring consent.</p> <p>The existing Rural Production zone may directly conflict with the Waitangi Trust Board Act's preamble which has set aside the site for a specific purpose.</p> <p>The multiple layers make any planning assessment difficult as in all cases the most stringent rules in any overlay apply. This means that more enabling rules imposed under certain overlays tailored for a particular activity cannot be utilized which results in almost all activities requiring consent as a Discretionary or Non-Complying activity.</p> <p>A more tailored approach will provide clarity as at present the Proposed District Plan makes everyday management and maintenance activities require consent.</p> <p>We have an opportunity to tailor make some rules which are specific to the Waitangi Estate and help give effect to the deed established in 1932. Given the fact that no other zones in the District Plan would be appropriate given the specific nature of this site, and moreover that the other spatial layers would cause undue confusion and perverse outcomes in terms of the activities they would capture, we consider that the use of a special purpose zone is most suitable to this site. We therefore seek that a Special Purpose Zone or Precinct be applied to the Estate.</p>	<p>Delete the zoning that applies to the Waitangi Treaty Grounds (including the Treaty House, Hobson Memorial, Whare Runanga and Flagpole, and regarded as including Lots 1 - 3 of DP 326610, and Lots 1 and 2 of DP 152502) and insert/create a new Waitangi Grounds Special Purpose zone</p> <p>OR</p> <p>Insert a new Precinct over the Waitangi Treaty Grounds</p> <p>OR</p> <p>In the event the Waitangi Treaty Grounds is not set aside for special zoning and/or precinct:</p> <ul style="list-style-type: none"> • rezone Lots 2 and 3 DP 326610 Sport and Active Recreation (to accommodate the existing golf club) • amend the rules applying to the Waitangi Treaty Ground to clarify when resource consent is required. The special zoning across the whole estate means that we can also have consideration to heritage matters which may lie outside of the treaty grounds.
