**Ann COURT**

My principal place of residence is in the Bay of Islands-Whangaroa General Ward area. I am also standing for Mayor.

I'm proud to have championed Waipapa, Puketona and Kawakawa roundabouts, two-laning Kaeo bridge, dust seal extensions for

Ngapipito, Puketi, Koropewa, Pungaere, Bayly, Totara North and Ruapekapeka Roads.

Successful applications for \$50m of Provincial Growth Funding and \$150m for shovel ready projects including the delivery of over 12km of new cycleways and footpaths plus new maritime facilities at Windsor Landing.

Oversaw the uplift from 66 to 69% in our transport subsidy.

Sports up-grades including the revitalization of the Maromaku Astro-turf alongside the purchase of 43ha of land for a new regional sports hub in Waipapa, currently under development.

Delivery of the Kerikeri Wastewater Treatment plant alongside a \$6m upgrade to the Paihia plant.

Completed the Integrated Transport Plan which sets the framework for \$479m worth of investment over the next 10 years.

A vote for me is a vote for stability, experience and ongoing investment in the Bay of Islands-Whangaroa Ward.
