## Adopt a dog a big success for Harley

Size matters and it's likely the biggest factor in Harley, the mastiff and brindle mix, spending weeks on our Adopt-a-dog page without attracting any attention.

Then Caleb spotted her. He immediately saw Harley's gentle nature and wanted to show her how good life could be. The two-year-old softie is now enjoying being the centre of attention in Caleb's family of five. How good is a happy Adopt-a-dog ending!

## Scene stealing Saga

Saga, the golden retriever, has been a central part of Jo's family life ever since Jo and her husband returned from years of travelling. Having a dog was a crucial part of their 'forever home'. Saga is no shrinking violet, she loves pats from passers-by and has made several cameo appearances in her dad's film projects.

**A new free service when you register your dog**

# Doggone is a system for reuniting lost dogs with their owners. It's free when you register your dog with FNDC.

Make sure you opt in to Doggone when you register your dog.

For more info visit the Doggone website.  
You must opt in for this new service when you register your dog.

## How does Doggone work?

### Text 4133

Anyone finding your lost pet simply follows the clear instructions on the tag and texts your pet's unique tag number to 4133, Doggone's free-to-text SMS number.

### 100% success rate

Doggone's text service (4133) has reunited over 5000 lost pets, with an average response time of two seconds! And the number of reunited pets grows every day.

### Doggone app

The Doggone app enables you to customise your pet's profile, update contact information in real-time, and share important medical or behavioural info with the person who finds your dog.

You control what information is shared via the Doggone app.
