**NOTICE OF INTENTION OF THE ROYAL FOREST AND BIRD PROTECTION SOCIETY OF
NEW ZEALAND INCORPORATED TO BE A PARTY TO APPEAL PROCEEDINGS**

14 September 2026

To: The Registrar
Environment Court
Auckland

1. The Royal Forest and Bird Protection Society of New Zealand Incorporated (**Forest & Bird**) wishes to be a party to the following proceedings:

*Vision Kerikeri, Our Kerikeri Community Trust, Kapiro
Conservation Trust and Carbon Neutral NZ Trust v Far North
District Council ENV-2026-AKL-000167*

2. Forest & Bird made a submission and further submission on the matters included in the appeal.
3. Forest & Bird also has an interest greater than the public generally by virtue of being:
 - a. New Zealand's largest nature conservation non-government organisation with about 70,000 members and supporters; and
 - b. active in RMA processes for many years to achieve improved outcomes for nature conservation.
4. The Environment Court has accepted Forest & Bird's interest as being greater than the public generally for the purposes of s 274, in that it is an incorporated society with a well-known role in the protection of indigenous biodiversity (see *Marlborough District Council v Burkhart Fisheries Ltd* [2018] NZEnvC 26 at [30]).
5. Forest & Bird is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.
6. Forest & Bird is interested in those parts of the Vision Kerikeri and others appeal which relate to the effects of activities on indigenous species and habitats, and specifically the relief sought with respect to:

- a. NOISE-R7 and NOISE-S4 – including matters of discretion to enable the adverse effects of helicopter landing pads to be assessed and managed; and
 - b. Vegetation clearance – IB-R1(7), IB-R1(10), IB-R3(2), including the matters set out in the final line of the table of appeal points.
7. Forest & Bird supports this relief as it:
- a. is consistent with Part 2 of the RMA;
 - b. recognises and provides for the protection of significant habitat for indigenous species;
 - c. is consistent with the Council's function under 31(1)(b)(iii) to control the effects of the use of land for the purpose of the maintenance of indigenous biodiversity;
 - d. gives effect to higher order planning instruments;
 - e. represents best resource management practice; or
 - f. any combination of the above matters.
8. Forest & Bird agrees to participate in mediation or other alternative dispute resolution of the proceedings.
