Hui-tanguru February 2024

## Want to get out on the water? We've got you covered.

Far North District Council maintains 27 boat ramps and jetties around the district, providing residents and visitors year-round access to our beautiful harbours and bays. The map below shows the location of each

boat ramp and some of our jetties. You can find a full list of these facilities on our website. Go to [www.fndc.govt.nz](http://www.fndc.govt.nz) and search for 'Maritime facilities'. Just like the map below, the website

details amenities at each boat ramp and jetty, including parking for cars and trailers, fuel supplies, public toilets and an ease-of-use rating to help you decide which facility is best for you.
