

Sports, fun, and community at the heart of Simson Park

The final draft of the Simson Park Domain Reserve Management Plan is now open for feedback. We're asking for your thoughts to help make sure the plan reflects what matters now and for future generations.

The council is also proposing to formally classify a small area of reserve land on Leaity Street, next to Simson Park Hall, as a Recreation Reserve. This change would officially recognise how the space is already used as part of Simson Park.
