

Far North District Council
Te Hiku General Ward
Electing 2 Councillors

Felicity FOY

My principal place of residence is in the Te Hiku General Ward area.

I have a proven track record to forward plan and drive physical change. I have served 6 years as a Councillor, with the last term as Infrastructure Chair. I wish to be re-elected to ensure Te Hiku

does not miss out on opportunities to forward plan for the next three years.

I live in Kaingaroa on my farm, with my husband and two children. I am a businesswoman and have 15 years of experience in development and town planning.

The work to create the Te Hiku Masterplan is just an example of what I can bring to the community. I secured the funding and took an active role to deliver the physical projects. I am fortunate to have both technical and practical experience to seek further opportunities for funding, to continue to collaborate with the community, to progress the delivery of projects, and achieve well planned and community led outcomes.
