SOVEREIGN.nz

My principal place of residence is in the Ngā Tai o Tokerau Māori Ward area.

I am of Māori descent. I lived in Auckland for 46 years where I worked in warehousing and owned a tyre shop. I moved to Far North to be close to my parents and Bought a 5 acre property so we could have a small farm lifestyle. In Northland I worked in Corrections until November 2021, when I was mandated out of my Job and have had a hard time finding work since then. If elected, I will fight against Three Waters, Significant Natural Areas and Outstanding Landscape, and whatever else central government will try to push down our throat. I am tough, work hard and am not trying to impress anyone with me - what you see is what you get.
