

Far North District Council
Ngā Tai o Tokerau Māori Ward
Electing 4 Councillors

Rachel WITANA

Independent

My principal place of residence is in the Ngā Tai o Tokerau Māori Ward area. I am also standing for Mayor.

Why stand for Ngā Tai o Tokerau Māori Ward?
I am standing to inspire and serve the people of Northland and across New Zealand.

I am standing up for our democracy and the right to make decisions to create prosperity.

Our society today is a result of policies that are restrictive that prevent us from developing ideas and improving our economy within our own communities.

Unite now to make a difference in this country by making your vote count.

We need to democratically take back our local government to give our community and local people a voice and advocate for them.

We are living in a critical period in history and need to make decisions now, for future generations.

Please vote! Stand Up and Be Counted... This is important!
