Bruce MILLS

My principal place of residence is in the Bay of Islands-Whangaroa Community Board (Whangaroa Subdivision) area.

I've lived in Kaeo, with my wife Chrissy and our children and now their children for 38 years

now. Loving every moment of it. Starting off in a caravan, to barn, then the comforts of a home we now enjoy. My past work in Real Estate gave me amazing knowledge of this ward and the local people.

The largest amount of my time is spent on community interests and endeavouring to put things in place for our area. I would love the opportunity to acknowledge Community leaders who have helped me in achieving set goals for Whangaroa. Working with Council has its frustrations. Working through long term and Annual Plans, which requires stickability to see projects to fruition is why I Have decided to stand for this position once again. I remain passionate about the beautiful Whangaroa and I'm undying in my task of an advocate in our region.
