Good afternoon AK,

Our property is the dotted line:

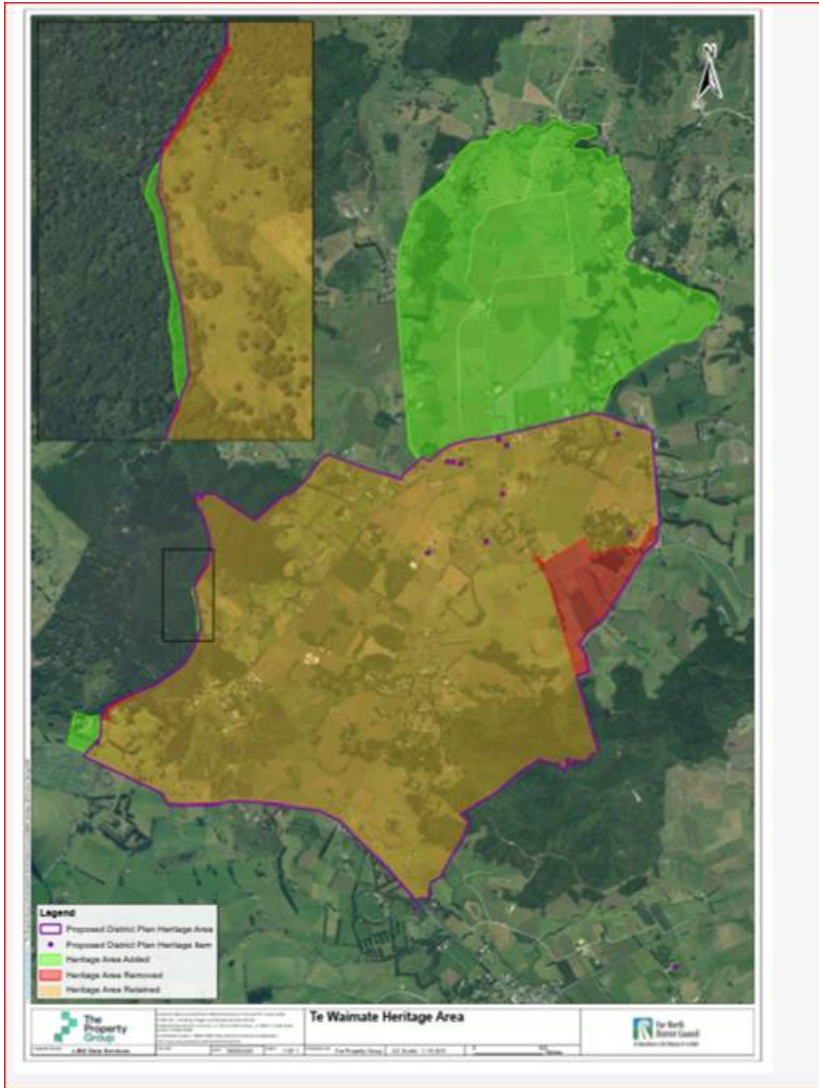

The summary of the decision requested is to delete the Heritage area from 211 Waikuku Road Waimate North.

This has been accepted on [Heritage Section 42A Report V3 28042025.docx](#) page 42

146. I agree with the group of submitters asserting that part of the property at 211 Waikuku Road was incorrectly included in the Te Waimate HA Overlay. This is clearly a mapping error, as confirmed by the advice of Mr Brown in Plan.Heritage report, and I recommend that the HA Overlay is removed from this property.

Thank you for this recommendation. Our concern is that the Heritage overlay does not follow the boundary in several places - not just what is shown (in red) on the map, but also above that area on the same boundary.

Just a couple of examples below. You do need to zoom right in on the e-plan of the proposed District Plan to see these other areas.

Could you please ensure that any interested parties, including the hearing panel, are aware of all these other areas if they are not already?

Many thanks
