Harley ALEXANDER

Independent

My principal place of residence is in the Bay of Islands-Whangaroa Community Board (Kerikeri Subdivision) area.

Harley Alexander is an active member of the Far North's creative community. He currently holds the position of President of the Kerikeri Theatre Company, and heads the committee that runs the Black Box Theatre (performance space) in Kerikeri. He owns and operates a video production business called Creative Cavalry, whose clients include Far North District Council, Top Energy and other Northland businesses. He also teaches tamariki the craft of filmmaking in various schools around the Te Hiku and Kaikohekohe regions of the Far North. He is a passionate advocate of locally created content - particular film and music. Harley's goal as a Community Board member will be to encourage all communities in the Far North to have strong and fair representation, and to help enable an innovative and diverse range of services, events and activities that benefit and enrich the lives of all Far North residents.
