District Plan Review-- Designations

I would like to confirm that we would like our designations included in the proposed plan without modification.

The Designations unique identifiers are NRC 125, NRC 144, NRC 145, NRC 146, NRC 147 and NRC 148.

All pertain to Navigational installations and the designation hierarchy is under section 177 of the RMA.

We have also sent GIS shapefiles for the designations.

Yours Sincerely

Peter Thomas
