

This section has rules that have legal effect. Please check the ePlan to see what the legal effect is or subject to appeal.

Note the below provisions represent the Section 42A Report Writing Officer's recommended amendments to the provisions of the Proposed District Plan, in response to submissions (with underline used for new text and ~~strikethrough~~ for deleted text). Recommendations made through the Reporting Officer's right of reply are shown in red underline for new text and red ~~strikethrough~~ for deleted text.

Schedule 1: Schedule of Notable Trees

Refer to Chapter Notable Trees for relevant rules.

The Council has a responsibility under the RMA to identify and protect the heritage resources of the district. Accordingly, the Council has compiled a Schedule of Notable Trees.

Standard Tree Evaluation Method (STEM), was used to determine whether a tree should be considered notable. This method enables an objective assessment of the particular values of the tree or trees at its location. Factors (condition, amenity and notable evaluation) consider the following:

- form
- occurrence
- vigour and vitality
- age
- stature
- visibility
- proximity
- role
- climate
- historic heritage
 - age
 - association
 - commemoration
 - remnant
 - relict
- scientific
 - source
 - rarity
 - endangered

Only those trees that scored 130 points or over have been included in the Schedule. They are a mixture trees being native to New Zealand and introduced. Some are located in urban areas, while others are in a rural setting. In some instances they are in the coastal environment. While a tree may score over 130 when assessed, Council retains the ability to exclude certain trees where it is assessed the tree characteristics, attributes, specifics profile or potential conflicts warrant it not being scheduled. For example it may be determined the tree's risk of harm is unacceptable and can not be mitigated.

Site	Site Location	Species	Score	Legal Description
1	Hihi (Butlers Point)	<i>Metrosideros excelsa</i> (Pohutukawa)	228	Allot 5 Sec 2 Village of Mangonui SD
2	Hihi (Butlers Point)	<i>Magnolia grandiflora</i> (Evergreen Magnolia)	198	Allot 1 Sec 2 Village of Mangonui SD
4	Old Main Rd, Victoria Valley	<i>Vitex lucens</i> (Puriri)	231	Pt Allots 66, 213, 216, Blk VIII Takahue SD
