Submission:

I am one of the owners of land at Opunga Cove, Bay of Islands. . I wish to have two notable trees situated in Opunga Cove added to the list of notable trees.

These are two large Pohutukawa (*Metrosideros Excelsa*) growing together on the foreshore near a small watercourse about 100 metres from the Northern end of the beach.

I think that these trees could be several hundred (800?) years old. I have not seen many, if any, Pohutukawa larger than these.

The property reference is DP 133112. Valuation number 00413-23000.

The property can be found on your website at Opunga Bay Road 0184.

Relief sought

Add these trees to the list of Notable Trees.
