

Far North District Council
Bay of Islands-Whangaroa Community Board
(Kerikeri Subdivision)
Electing 2 Members

John MORRIS

My principal place of residence is in the Bay of Islands-Whangaroa Community Board (Kerikeri Subdivision) area.

Living in Rangitane I am standing for the BOI Whangaroa Community Board. I am a musician and sound engineer and have experience as a Councillor on the Waikato District Council. Additionally I was a RMA Commissioner for seven years. I feel that board members should represent fairly the views of the electorate, have no agendas of their own and be purely a local voice on local issues. Local Government is currently having to deal with a great deal of new legislation and ideas which are many and complex, such as the impact of climate change, district infrastructure and new development, all of which require input from local people to ensure that their communities are dealt with fairly and with due consideration to their views.

I believe I can bring experience and integrity to the process and look forward to being able to represent the Kerikeri community. Nga Mihi Nui
