Dear Alica-Kate

Far North Proposed District Plan: Decision on Designations

Spark New Zealand Trading Limited (Spark) received notification of the Council recommendations on its designations on 30 June 2026.

Spark rolled over 4 existing designations, numbered SPK -128, CNZ-25, CNZ-28 and CNZ-34 in the Proposed Plan without modification. These designations are for the purpose of *Telecommunications and Radio Communications and Ancillary Purposes* and are subject to conditions. The designation identifier for the secondary Spark designations on Chorus sites (25, 28 and 34) where Chorus holds a primary designation needs to be corrected to the Spark Identifier SPK (as unique from the Chorus identifier). Spark accepts the recommendation to confirm the above designations in full, but requires the identifier in the Proposed Plan to be corrected so the designations are identified as SPK -128, SPK-25, SPK-28 and SPK-34.

Please direct any queries and correspondence on this matter to Graeme McCarrison – Graeme.McCarrison@spark.co.nz

Yours sincerely
