FNDC NOTICE OF RECOMMENDATIONS ON DESIGNATIONS

Airways Corporation of New Zealand Limited accepts the Hearing Panel's recommendation in respect of Airways' designation **ACNZ121**, Far North Road, Waipapakauri, as recorded in the Proposed Far North District Plan Decisions Version.

Airways understands the recommendation is to roll over ACNZ121 without modification. Airways' acceptance is limited to that recommendation and is without prejudice to Airways' ability to seek any future alteration to the designation, or any new designation or other planning protection, required to protect Airways' current or future air navigation aids and associated operational safeguarding requirements.
