## Terms and Conditions for Verification Services

### Period of Agreement

Subject to the other provisions of these terms, our obligations to each other start on the start date and end on the termination date set out in this agreement, except where those obligations are expressly stated to survive termination.

### Conflicts of Interest

If any staff from FNDC has been involved in the design of your food premises or procedures, they cannot act as your verifier. We aim to undertake the agreed services in an independent and impartial manner at all times. FNDC has been approved by the Ministry for Primary Industries (MPI) as a recognised verifier under the Food Act 2014.

### Nature of the Services

We will verify your food safety practices as required during the term of this agreement and (where appropriate) report your compliance with the programme and with the relevant provisions of the Food Act 2014 to MPI.

We will obtain such evidence as we consider sufficient to enable us to draw reasonable conclusions as to whether or not you are complying with the programme and with the relevant provisions of the Act. The nature and extent of our procedures will vary according to our assessment of your systems, premises and practices, and, where we wish to place reliance on it, your internal control framework.

We will report in writing any matters we consider important and requiring attention.

If we believe there are potential food safety or suitability issues e.g. product recall, complaints received, on direction from MPI or other registration authority, we may carry out an unscheduled verification of your business. Additional fees may be incurred in these circumstances.

### Purpose of the Services

Our services are designed to monitor compliance with the risk based measure and with the relevant sections of the Food Act 2014. If any deficiencies in internal controls and practices, not strictly relevant to the verification, come to our attention, we will advise you of these, but we only aim to identify deficiencies within the scope of the verification.

Any other services we may provide from time to time at your request are distinct from our function as verifiers and may be refused if this would generate a conflict of interest with regards to your verification.

Our agreeing to provide the services does not constitute a permit, authorisation, or other permission under any Act, Regulation, or Bylaw. Our verification does not remove your liability for the consequences of failure to comply with any Act, Regulation, Bylaw, or other requirement.

### Standard of Service

When we provide services to you, we will use our best endeavours to:

- provide the services with care and skill
- ensure your verifier is knowledgeable and competent to verify your specific food business operations. This may include engaging a technical expert to assist us in the verification of your food business
- provide the services within a reasonable time or within any agreed time limit
- provide a report within 10 working days of completing the verification.

### Complaints and disputes

If you have a complaint in relation to our services, or the person conducting them, or you dispute any recommendation or corrective action put forward by your verifier, or you would like to comment on the service you received, please contact the Team Leader - Environmental Health. We document all complaints and disputes in an attempt to continually improve our service under our Quality Management System. All complaints or disputes are confidential.

### Confidentiality

All communications between us (the agency) and you (the customer) are treated with strict confidentiality. All electronic records maintained by us are only accessible by approved staff. You may request a copy of any correspondence on your customer file at any time, e.g. a past verification

report. A Food Safety Officer or MPI representative may request verification information from us or you. We will notify you if any such person requests such information from us about your food business.

Any corrective actions or non-compliances identified during the verification process of your business will be notified to MPI.

### Your General Responsibilities

Within 14 days you must advise us of a change of verifier.

To enable us to properly carry out our statutory responsibilities as a recognised verifier, you must maintain records which comply with the requirements of the Template Food Control Plan or National Programme (level 1, 2 or 3 as applicable) and which contain sufficient detail to enable us to ensure that:

- The food preparation tasks identified in your program are being properly carried out by appropriate staff who have been suitably trained and instructed
- Any restrictions or conditions placed on registration are being complied with
- You notify us of any further information, including any post verification events, which may have a bearing on our verification responsibilities. This must include changes to the scope of your operation or significant changes
- All information you give us needs to be correct and complete

### Our Charges

Verification fees are prescribed within FNDC fees and charges, these are subject to annual review and are publicly notified. We will provide you with an invoice that must be paid by the 20th of the following month after a verification service has been undertaken.

### Our Right to Suspend or Restrict Any Service

If your registration is revoked, surrendered or substituted, or if you do not pay our charges or meet any other responsibilities you have to us, we may suspend or restrict the services at any time. Such activities will be reported to MPI.

### Our Right to Stop Providing the Service

If your registration is revoked, surrendered or substituted, or if you do not pay our charges or meet any other responsibilities you have, we may stop providing any of our services to you. This right is additional to any other right or remedy we may have against you under the Food Act 2014. Otherwise, where we have agreed to provide a service for a minimum period, we will continue providing it until the end of that period, and we will notify you with 14 days before we stop providing the service.

### Sending Invoices and Notices

We will send invoices and other notices to the last address you have given us or by email as indicated. We can assume any invoice or notice we send by post has been delivered 5 days after we post it. Please tell us if you change your address.

### Verification agreement records

All verification agreements will be kept on our records for a minimum of 4 years in relation to our record keeping requirements under the Food Act 2014. Verification reports are retained indefinitely.

### Changing These Terms

Any changes to the terms of this agreement must be in writing and signed by us.
